

Quality Policy - Grant Transformers

Grant Transformers is committed to providing exceptional service in the manufacture and supply of transformers and electrical equipment.

Our quality objectives are satisfied clients, applicable requirements and continual improvement.

To ensure these objectives are achieved, we have established and will maintain a quality management system which complies with AS/NZS ISO 9001:2016.

Through our training programs, all employees have gained a sound understanding of this policy, our management system and are empowered to deliver service excellence.

We will achieve our objectives through our focus, our commitment and our training.
